

2015 IMPACT REPORT

OUR MISSION

To present to coaches and athletes, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church.

OUR VISION

Our Vision is to see the world impacted for Jesus Christ through the influence of coaches and athletes.

LETTER FROM MIKE

It is amazing to watch a miraculous God work every day here in Atlanta. The impact of the Fellowship of Christian Athletes continues to grow and God's favor abounds in all areas of ministry.

Our Theme this past year is **UNDEFEATED**.
1 Corinthians 12:57 *"But we give thanks to God! He gives us the victory through our Lord Jesus Christ"*

We want to share this victory and celebrate with each of you as you read the ministry impact report. My prayer is that you can see how God is using your investment of time, talents and treasures for FCA's impact in Metro Atlanta.

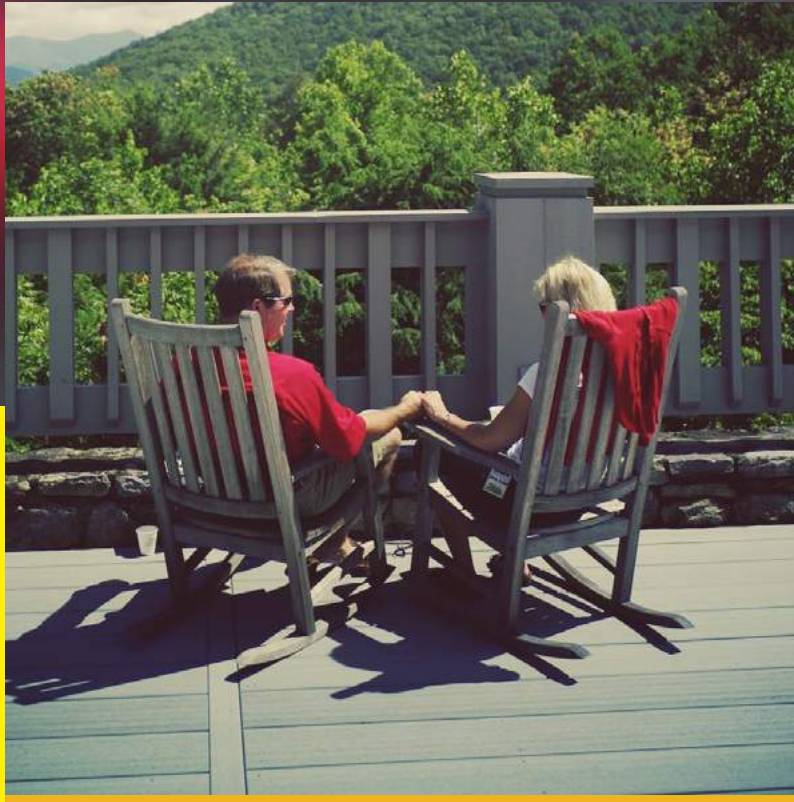

This year we continued to see record growth on the campuses, in the community and around the world. We had over 6000 athletes, coaches

and volunteers attend camps, clinics and retreats this year.

The most amazing highlight is we had 2,432 commitments to Christ.

Let's celebrate together all that God has done and is doing.

Serving Together,
MIKE MILLER
Atlanta Director

ENABLED AND EMPOWERED

My wife Stacy and I were given a scholarship to attend the FCA St. Simons Coaches Camp. Having been to an FCA Marriage Conference several years before, we were looking forward to the experience. In addition to my wife and I attending, my son was able to attend the FCA Youth Leadership Camp that was going on at the same time. What a blessing.

As my wife and I spent time corporately worshipping and small group huddling with the other coaches and their wives, God spoke to me and profoundly influenced the way I look at things. This relationship with God is not an add-on to my life. It is not something that I add on to my coaching and teaching jobs. It is not something I add on to my marriage. It is not something I add on after I have made plans to do whatever I head toward. This salvation good news Gospel is the driving force that ENABLES and EMPOWERS me to live my life to the fullest.

My wife and I are deeply appreciative of FCA and all you guys do. Our trip was some of the most solid quality time I have ever spent with my wife. Oh yeah, and did I mention.....MY SON BRYSON GOT SAVED WHILE HE WAS THERE! How awesome is that!?

SAVANNAH'S STORY

My experience with FCA softball Camp is something I will never forget. I originally went to the camp for the softball. I knew who God was. I knew He loved me and I loved Him. During worship on our last night there, a former softball player was telling us about how she came to know God. She explained how her relationship with God was like passing a friend in the hallway and saying, "hey." I then realized that I had the same relationship with Him. I only talked to Him when I needed Him. That night we were asked to come up front and kneel down if we wanted God in our hearts and wanted Him to save us. As I was kneeling on the ground, I was crying and shaking because I finally accepted God in my heart and I wanted Him to take control. I soon felt hands placed all over my back and when I stood up I was welcomed by my teammates and coaches telling me how happy they were for me. The feeling I felt was like nothing I have ever felt before. I can't even begin to describe the feeling of joy and relief I had when He came into my heart!
